STEEL AT WORK

WHY does Victor Buyck exist?

WHAT is the common PHILOSOPHY of its employees?

Vision:

Victor Buyck strives to be the benchmark in the steel construction industry for the creation of value and for our commitment to corporate social responsibility.

**VICTOR BUYCK
STEEL CONSTRUCTION**

STEEL AT WORK

HOW does Victor Buyck wants to realize this VISION ?

Through... MAKING THE DIFFERENCE

Our people

By encouraging and developing an open and courteous collaboration, the encouragement of talent, the growth of leadership and by operating with speed, pride and passion.

**VICTOR BUYCK

STEEL AT WORK

HOW does Victor Buyck wants to realize this VISION ?

Through... MAKING THE DIFFERENCE

Our solutions

By becoming the steel contractor of choice, because we deliver products with high added value and because we work with our customers to create value for them.
